4-H Club Exhibit Entry Form

To be completed by club leaders and independent families

4-H Club: _________________________________________________________________

Title of Exhibit: __________________________________________________________

Description of Exhibit: ____________________________________________________
________________________________________________________________________

Each club will have at least a four foot square wall space on the club displays. There is also room for a small (four feet long and two feet high or smaller) table in front of the wall space if your club would like to bring one. Clubs may use nails, hooks, staple gun, etc to display their exhibit. For specific questions, please contact the Extension Office.

Group Action Booth

☐ Our club exhibit will involve public participation (for example, a craft to make and take home or a game to play)
