

# Herkimer County Local Foods Map 2014

## Herkimer County Local Foods Map

(2014 edition)

Funding for this map was provided by the NY State Department of Health "Creating Healthy Places to Live, Work, and Play" initiative (CHP) through Herkimer County HealthNet. CHP programs across the state are working to prevent obesity and type 2 diabetes by making it easier to be physically active and eat healthy foods.

Cornell Cooperative Extension of Herkimer County and Herkimer County HealthNet have made every effort to ensure the accuracy of this map. Thank you to the farmers of Herkimer County for their cooperation in developing this map.

For updates and an online version of this map, please visit <http://farmmarket/herkimerhealthnet.com> or [www.cce.cornell.edu/herkimer](http://www.cce.cornell.edu/herkimer).

## Why Eat Local?

Eating locally grown and raised foods increases your awareness of where your food comes from, local growing seasons and the importance of supporting local agriculture. Local foods are fresher and more nutritious than foods that have traveled many miles and days to get to your table. When you buy direct from local farmers, your dollars stay within your community and strengthen the local economy. This helps to preserve farming as a livelihood and rural landscapes as farmland.

## Herkimer County Farmers' Markets

(See location addresses on reverse.)

Site Market	Day	Time
A	Dolgeville	Saturday 8am-noon
