Secrets of Successful Weight Loss
Wednesday, October 30, 2013
6:30 – 8:30 p.m.

Losing weight is difficult and keeping it off is even more challenging. Learn what the research says about people in the real world who have lost weight and managed to keep it off. This workshop is designed for adults of all ages.

The Family Table
Wednesday, November 6, 2013
6:30 – 8:30 p.m.

Busy schedules have driven families away from the everyday shared meals we once knew. Just in time for the holidays parents can learn about the multitude of benefits their children can obtain from the simple act of shared meals. Families can take pride in modeling traditions, good nutrition, better communication skills and using mealtimes to educate and guide children while at the same time improving their social skills. This workshop is designed for parents of children of all ages.

Smart Kids
Tuesday, November 19, 2013
6:30 – 8:30 p.m.

Did you know that academic success at ages 9 and 10 can be attributed to the amount of words that a child hears from birth through age three? Thinking about how to prepare your infant or toddler for school may seem like a premature concept; however, research indicates that school readiness starts long before a child begins kindergarten. Come to this workshop to learn about non-academic factors that contribute to school success. This workshop is designed for parents of children ages birth to three.

Registration required. All workshops are $10.00 each. Please fill out the form below and return with payment to:

Fall 2013 Riverhead Education Series
Cornell Cooperative Extension of Suffolk County
423 Griffing Ave., Suite 100
Riverhead, NY 11901
