**2013 Voluntary Contribution Towards Area Team Costs:** As team costs continue to rise, any additional contribution in support of the team operations is most appreciated. The association is saving thousands of dollars by investing in regional team contracts with our neighboring counties and Cornell, the expertise of which we could not afford alone at the association level. 100% of your donation goes directly to support the teams.

**Commercial Agriculture Team Regions and participating counties:**

**Dairy/Livestock and Field Crops Program:** Genesee, Livingston, Monroe, Niagara, Ontario, Orleans, Seneca, Wayne Wyoming and Yates Counties.

**Fruit Program:** Monroe, Niagara, Onondaga, Orleans, Oswego and Wayne Counties.

**Vegetable Program:** Allegany, Cattaraugus, Erie, Genesee, Monroe, Niagara, Onondaga, Ontario, Orleans, Seneca, Wayne and Yates Counties.

- If you are not an agri-business or county resident in the participating counties, enrollment for each team is $150.

In advance, we appreciate your support of Cornell Cooperative Extension in Wayne County. If you have questions or comments, please contact Elizabeth Claypoole, Executive Director/Agriculture Issues Leader @ 315-331-8415.
