2015 PESTICIDE TRAINING AND RECERTIFICATION CLASSES

Canandaigua, NY: A series of pesticide training and recertification classes are being offered by Cornell Cooperative Extension. Anyone interested in obtaining a pesticide certification and meets the D.E.C. (Department of Environmental Conservation) experience/education requirements or current applicators seeking pesticide recertification credits should attend. This training is NOT a 30-hour certification course.

The Pesticide Training and Recertification classes will be held at Cornell Cooperative Extension – Ontario County on Mondays, February 2, 9, 16, 23, 2015 from 7:00 pm to 9:30 pm with the exam being offered on Monday, March 2, 2015 from 6:30 pm – 11:00 pm.

The program series includes the following topics:
Class 1: Pesticide Laws and Regulations; Class 2: Pesticides and the Environment; Class 3: Pesticide Safety; and Class 4: Pesticide Mixing and Equipment Calibrations.

The cost for the pesticide training to obtain certification is $150.00, includes training manuals and attendance at all four classes. This does not include the $100.00 DEC exam fee, due the day of the exam. Certified applicators, private and commercial applicators seeking recertification credits will receive 2.5 core credits per class. The cost for recertification is $25.00 per class. To receive registration material or for additional information, contact Cornell Cooperative Extension of Ontario County at (585) 394-3977 ext. 427, email nea8@cornell.edu or ext. 436, email rw43@cornell.edu The registration form and more information is available on-line at www.cceontario.org

"Cornell Cooperative Extension is an employer and educator recognized for valuing AA/EEO, Protected Veterans, and Individuals with Disabilities and provides equal program opportunities."
