2. Individual presenters and public speakers who have competed in official national 4-H competition may not compete in the same specific individual event but are eligible to compete in the alternate individual event and in team competition.

III. Scoring/Awards

A. In each division of the contest, three (3) judges will independently evaluate each presentation. Copies of the scoring sheets will be made available upon request, to help in preparing the presentation.

B. Rosettes will be presented to:
   1. high ten (10) Senior Individual Presenters
   2. high five (5) Senior Team Presenters
   3. high five (5) Senior Public Speakers
   4. high ten (10) Junior Individual Presenters
   5. high five (5) Junior Team Presenters
   6. high five (5) Junior Public Speakers

C. Score sheets at the State event will be made available the day of the event. If youth are not present during results, sheets will be mailed to the county to be given to the youth.

IV. Divisions

PLEASE NOTE: The same communications presentation may not be repeated in the same division in subsequent years, at the State level. There must be a legitimate attempt to change the subject matter, content, title, etc.

Introductions: Introductions should be brief and simple. They should include the presenter(s) name and the title of the presentation. Other brief information may be included at the discretion of the presenter; please keep information pertinent to the presentation. The introduction will be counted in the total time of the presentation.

Technology:

A. Computer generated, integrated, and highly technical forms of presentations (i.e.: PowerPoint) will be allowed in 4-H Horse Communications Events.

B. When doing a PowerPoint presentation, everything must be designed, developed and produced by the contestant, just like a contestant would do if making standard posters and props.

C. Although a contestant may be “tied” to the computer during the presentation in order to progress through the slides, reading off of the computer screen is just like using notes, and will be judged as such.

D. The contestant is responsible for bringing, setting up and using the computer, projection unit, and other necessary equipment. Realize that completely dimming the lights in the room may be necessary for older projection units, but may result in the judges not being able to see the contestant, which could result in point deductions. It would be wise to have a newer, high lumens projection unit that will not require a completely dark room.
E. If pictures and information are taken directly from another source (online or otherwise), it is necessary, as with traditional presentations, to cite where the information was acquired so that the judges are aware. For example, pictures that are taken off of a website should have the url of the website listed below it so that the judges can read it.

F. **Individual Presentations**- Senior and Junior

1. This is an individual event.

2. The subject must pertain to the horse industry. Presentations not appropriately related to the horse industry can be disqualified at the discretion of the judges.

3. The presentation may be a demonstration or illustrated talk. All references to the term “presentation” in these rules include either demonstration or illustrated talk. A demonstration is defined as a presentation of a step by step procedure with an end product or result. An illustrated talk is defined as a presentation of an idea or topic that uses visual aids to convey the message.

Both presentation forms are acceptable and will be evaluated equally, although the delivery methods are different as defined above. Both should utilize visual aids to help convey the major points of the presentation and more than one type of visual aid is preferable. Visual aids may include but are not limited to handouts, posters, props, videos, slides, and computer generated media (PowerPoint, websites, etc.). No live animals or people may be used.

4. Contestants may use notes. However, excessive use of notes may be counted against the contestant. This will be at the discretion of the judge(s).

5. Presenters must supply all of their own equipment, including easels.

6. Creative audio visual aids may be used, but the contestant must be involved in making or designing them.

7. During the contest, the contestants may introduce themselves by name, region and presentation topic.

8. Presentation should be 9-12 minutes in length. Three points will be deducted from the total score on each judge's score sheet for every minute (or fraction of minutes) under 9 minutes or over 12 minutes.

9. Contestants should cite their own major references after the conclusion of their presentation. This will not be counted in the allotted time.
10. Only the judge(s) may ask questions of the contestant in the contest. Question time will not be counted in the allotted time. Contestants should repeat the question then answer it.

11. Ties will be broken first by the judge’s accumulated delivery score, second by the judge’s accumulated organization score and third on content and accuracy score.

12. Contestants may use video recorders to tape their own presentations. It is the responsibility of the coach to provide all necessary recording equipment.
