GPS and online mapping software have not reliably directed people to the Arnot. Use a physical map and written instructions to find the Arnot field campus. The problem with on-line or GPS mapping is that the physical location is within the Town of Cayuta, Schuyler County but our mailing address is for the town of Van Etten in Chemung County. Give priority to the physical map, but the brave souls can use these coordinates 42.263685,-76.627371. Some visitors have successfully used Google Maps (http://maps.Google.com) with the address “611 County Road 13, Cayuta, NY” (do not include the zip code).
