

Cornell University  
Cooperative Extension  
Central New York Dairy, Livestock & Field Crops Team

## Beef Producer Meeting:

The CNY Dairy, Livestock and Field Crops Team is hosting a meeting for local beef producers.

- When:** Thursday, July 20<sup>th</sup> at 6:30pm  
**Where:** The Porco's Farm (770 Snells Bush Rd. Little Falls, NY 13365)  
**Cost:** Free (beverages, hamburgers, hot dogs provided: please bring a side dish to pass)  
**Registration:** Deadline July 18

Ashley McFarland, CNYDLFC Livestock Specialist will be the speaker. Youth and adults are welcome to attend.

Traveling around Central New York we see more and more beef operations developing. We are hoping to share ideas and improve the communications between these farmers. The current cattle market has been rising over the past few months, and the futures are looking to continue to increase. Some issues we hope to address are:

- Where can we market this year's calves?
- What helped you get through the low prices?
- How are you finishing your animals?

To register, contact the Cornell Cooperative Extension office in Herkimer at (315) 866-7920 or email [herkimer@cornell.edu](mailto:herkimer@cornell.edu)  
Please let us know the number of people attending.
