

Empire Yearling Board Sale
September 11, 2021
Bath, NY

Rules for participation

- Consignments to Board Sale will have a minimum of 25 calves per farm.
- We have right of refusal based on calf uniformity and grading breakdown.
- Adhere to published vaccination, use of de-wormers and management protocols.
- **Sale date is 9/11/2021 and vaccinations including any required boosters and application of de-wormers are to be completed by 8/11/2021.**
- If labeled, all injections are to be administered subcutaneously utilizing Beef Quality Assurance methods.
- Sellers will certify health and feed management regarding “all natural, grass fed” or otherwise, both on the **grading worksheets** and “**Natural and Source of Origin Affidavits,**” as appropriate.
- Dehorning, castration or banding must be completed and healed at time of grading.
- Calves will be tagged with “840” tags.
- Steers will be guaranteed properly castrated, and heifers guaranteed open, unless offered as bred as follows: \$100 refund to the buyer will be completed if calves are proven to be otherwise within 60 days of delivery.
- Bid prices will be adjusted when the average weight of any lot sold increases above the advertised weight as follows:
 - If the average weight of the entire lot offered is 25 lb – 49 lb greater than advertised weight, the sale price will be reduced \$.04 per pound.
 - If the average weight of the entire lot offered is >50 lb than advertised, the sale price will be reduced by \$.06 per pound.
- Commission charged will be \$17/head.
- A bid in fee of \$5.00 per animal will be charged on non-first time consignors
