Dear Cayuga County 4-H Families and Friends:

First off, we’d like to congratulate all of our members who participated in the various 2015 4-H Youth and State Fair events! All fair events/shows were successful and received lots of public enjoyment.

Thank you to all of our dedicated volunteers and partnerships that made these events possible! As a reminder, we can always use photos and/or stories from various 4-H events: club or county related. So, please do share your experiences with us!

As we near our holiday season, we are gearing up for our annual 4-H fall/winter events and activities. Please read through this newsletter for dates, times, locations and paperwork needed. In situations of severe weather, we may see the need to cancel or postpone a 4-H event, we will notify 4-H families ASAP. As always, if you don’t feel safe traveling out to a 4-H event because of a localized situation, please stay home. We are willing to work with families on an individual basis for re-scheduling options, as available. As such, it is imperative that we have ACCURATE, up-to-date contact information on file for you! Please double-check re-enrollment and new enrollment forms for correct information before turning into the office, and notify us of any changes in contact information throughout the year.

In addition, if your group is scheduled to use the Cooperative Extension Education Center, please appoint someone who will call the office the day of your scheduled event to verify your reservation and that a key will be available to your group. If your meeting or event is canceled, please notify the office in a timely manner, so we may be prepared to answer calls or questions regarding this change. We thank you in advance for your cooperation and consideration of others.

Should you have any questions, or need further assistance, please feel free to contact us. We’d be happy to help you!

Fall is here and with it begins a new 4-H Enrollment year! Some of our enrollment aspects are changing, please be sure to be on the lookout for our enrollment email arriving after October 1st. This email will give pertinent information regarding the 2015-16 enrollment forms with more detailed information. The information below contains some of the upcoming enrollment changes.

**About Enrollment Forms:**
Enrollment paperwork is a critical part of the 4-H Program. It not only allows the 4-H office to keep accurate records of youth involved in the programs we offer, but it also provides liability coverage; any youth participating in a 4-H event, meeting, etc. must be enrolled or they are not covered. Enrollment in 4-H is not optional; it is required for participation.

In this year’s 4-H Enrollment information packet you will find:
- Enrollment Forms
- Medical/Photo Release Form
- Code of Conduct Form
- Acknowledgement of Risk Form
- Project List (indicates the number of years you have been involved with each project)

The office will no longer be accepting enrollment forms if one or more of the following is missing: Medical/Photo Release Form, Code of Conduct, Acknowledgement of Risk, Enrollment Form and payment or scholarship application attached.

You and volunteers may choose to enroll as they did last year, join a different club, add an additional club, form a new club or become an independent member. Those enrolled in more than one club should inform the 4-H office of your interest in continuing with each club.

Scholarship applications are available for those with financial need. Contact the Cayuga County 4-H office for an application.

**Re-enrollments (paperwork and fees) are due December 1st, 2015.** Re-enrollments received between December 2nd—January 5th will be accepted with an additional fee of $5 per youth. The additional $5/youth fee is not covered under the enrollment scholarship form. Re-enrollments received after January 5th are ineligible for fair activities.

Regarding Enrollment Fees:
**Please Note:** Enrollment Fees are changing. To help cover the costs of programming, events and more we ask ALL youth members to pay an annual nominal fee which has increased slightly this year. Please see below for rates for the 2015-16 year.

Opt-Out Fundraising Announced:
Cayuga County 4-H relies heavily on fundraising to help us with programming, awards, trips and providing opportunities to all youth. **New for 2015-16** is an option to make a donation of $25/youth and opt out of the usual fundraising altogether. If you would like to fundraise, please note that youth should fundraise at least $50/youth to cover the costs associated with fundraising. **Of special note** one guaranteed opportunity to fundraise will take place with the fall 2015 pancake mix sale (Order Form is on page 7 of this newsletter). **Keep in Mind** that Remember the Big 6 donations and fundraising do not count toward 4-H fundraising. An **Enrollment Kickoff Night** has been scheduled for Tuesday, October 6th. This event begins at 6:30 p.m at the Education Center, 248 Grant Avenue, Auburn, NY. Come pick up your enrollment packet and have any questions that you might have answered by our staff.

**Awards Applications & Nominations**

October 1st marks the deadline to submit letters of nomination for a variety of awards, including adult volunteer award nominations. Is there a 4-H youth or adult who has gone above and beyond this past 4-H year? If you answered “yes”—then please submit a letter of nomination to the 4-H office. Many times, the county staff are unaware of these “stars” and we want to make sure they are recognized. For more information on available awards, please visit our 4-H awards packet which is posted on our website: [http://blogs.cornell.edu/cccecayuga/children-youth-and-families/4-h-forms/](http://blogs.cornell.edu/cccecayuga/children-youth-and-families/4-h-forms/), or you can request a hard copy through the office.

4-H Achievement Night
Friday, November 6th
7 p.m.
At the Cayuga-Onondaga BOCES
1879 W. Genesee Street Road, Auburn, NY

Our annual 4-H Achievement Night Awards Banquet is just around the corner! The event has been scheduled for Friday, November 6th at 7:00 p.m. to take place at the Cayuga-Onondaga BOCES Center, 1879 West Genesee Street Road, Auburn, NY 13021. We will again be looking for teens and other youth members to assist with the program. If you are interested, please contact our office. If you need directions, please let us know. If plugging the address into a GPS system, you may end up on a seasonal/restricted road.

In honor of our 4-H award recipients, we are asking that families please bring a dish to pass to the event. We are limited on heating/cooking elements, so please bring an item that is ready to serve. Electrical outlets are available for plugging in crock-pots, etc. Please let us know if you have a special accommodation request.

4-H Code of Conduct Update

Policy guidelines for the 4-H Code of Conduct have been updated, making it an easy to use and understandable form to reference. Policy guidelines are available on our website—blogs.cornell.edu/ccecayuga. At the Website, go to the 4-H Youth Development tab on top, click on the 4-H Forms and the 4-H Code of Conduct is listed under 4-H Enrollment. Please note that #16—indicates that youth need to be on-time and prepared for events. This means that youth need to arrive at events with enough time to set up, prepare and make sure that all necessary paperwork is complete, so that they may be ready to begin on time.

- It is important to be on time, in consideration of other participants, judges and spectators.
- If you are going to be more than 30 minutes late, it is the responsibility of the parent to contact the office and leave a message in the voicemail of the educator in charge of the program, indicating that you are running late, and if appropriate, a reason why.
- It is at the discretion of the educator as to how the situation will be dealt with. It is up to the parent to contact the educator if you wish to have a make-up, if that is an option in those circumstances where make-ups are available.

If you have special needs or circumstances, please let the educator in charge of that event know as soon as possible, so that the proper preparations and arrangements can be made so that youth can have the best experience possible.

LAST NEWSLETTER!
This is the last newsletter you will receive for the final wrap-up of 4-H year 2014-2015.
If you wish to continue receiving information about Cayuga County 4-H and our newsletter editions, please be sure to turn in your re-enrollment/new enrollment paperwork. If you have any questions about enrollment, please call our office at 315-255-1183.
Produced in New York Contest

The Produced in New York (PNY) contest is scheduled for Saturday, January 16th 2016. For complete details on how the event runs, please ask. All 4-H members wishing to participate in the event, must PRE-REGISTER. The event is scheduled to take place at the Fingerlakes Mall in Auburn.

For those youth and families new to Cayuga County 4-H or new to the PNY program, here is some basic information to help you.

What is the Produced in NY contest?
The PNY contest is a contest in which youth properly demonstrate how to prepare a recipe which showcases (contains) a(n) ingredient(s) produced or grown in NYS. 4-H members perform a “silent demonstration” concurrently with several of their peers. Participants are judged individually on their demonstration skills and technique, finished product, and their completed menu planning sheet.

Why participate in this event?
It is fun!! The experience helps 4-H members gain confidence while presenting in front of a crowd of people. It also helps them develop their skills and knowledge of food preparation and presentation.

Who may participate?
Any enrolled Cayuga County 4-H member (or cloverbud). Cloverbuds may participate but will only receive helpful feedback and do not have to complete a menu planning sheet.

How do I register?
There will be an online registration for the PNY contest. This registration link has not yet been released, but will be soon. All registrations will be due December 10th! Please stay tuned to your email, or call the office (315-255-1183, ext.224) for more details on registration.

Just a Reminder - Chaperone and Driver Policies for 4-H Youth Events

With the start of a new 4-H year, there have been many questions relative to adult chaperone policies and requirements for adults driving youth on behalf of CCE/4-H. So, we thought this would be a great time to inform or remind you of basic information related to these areas. As always, please contact the 4-H educators with any questions you may have.

- Anyone chaperoning youth on behalf of CCE/4-H needs to be an approved CCE volunteer.
- 4-H Youth should not be driving for 4-H events
- Persons under 21 are prohibited from driving
- Persons 21-25 have the following criteria:
  * 3 years continuous driving experience (Permit does not count, must be 3 yr. license)
  * Completion of NYS Driver Safety Course mandatory for ages 19 - 25. This course is about $30-45, is held as a class or can be taken on-line, and can also save you some money on auto insurance for the next 3 years as well.
  * Successful motor vehicle record check (which we do here in the office)
  * 10-12 passenger vans have specific criteria which can be addressed when the need arises.

Produced in New York Contest

All 4-H project and progress record books are due to the CCE Cayuga Office on/by October 1st! Filling out and submitting a project and/or progress record book can serve as a positive youth development skill-building activity as well as earn you an award at our annual 4-H Achievement Night Ceremony!

Where to find project/progress record books? The most current record books are all posted on our website: http://blogs.cornell.edu/ceecayuga/children-youth-and-families/4-h-forms/. If there is an area that you would like to submit for, but are unable to locate an appropriate project record book; please be sure to ask 4-H staff. We would be happy to assist you.

Project Books are not judged on “prettiness” or “creative art”; rather they are judged on content that is complete and legible. Project books should be used to keep accurate records of associated activities. If you are looking to insert photos and/or scrapbooking materials—this would be something you would want to do as a 4-H exhibit and enter into the 4-H youth fair (which takes place in July) as an Achievement Notebook. For further information, please ask 4-H staff.
