Cornell Cooperative Extension of Cayuga and Seneca Counties are teaming up to offer a dairy cattle workshop to any enrolled 4-H members. This workshop is designed to cover:

- Animal Quality Assurance
- Cattle Handling
- Feeds & Bunk Space
- Dairy Products

Ohio State University Dairy Resource Books will be available at the clinic.

Youth attending will need to pre-register by Monday, June 13th. Go to [http://blogs.cornell.edu/cccayuga](http://blogs.cornell.edu/cccayuga). Click on the Registration button. You can also register by calling the office at 315-255-1183 ext. 238.

This workshop will be open to enrolled 4-H youth between the ages of 5 and 18, as of Jan 1st. Cloverbuds will need a parent to stay with them.

Special Thanks to the “NEW YORK STATE WILLMAN FUND 4-H ANIMAL SCIENCE RESOURCE AWARD” for making this workshop possible.
