SAVE THE DATE

The Cayuga County Soil and Water Conservation District, Owasco Lake Watershed Inspection Program, EJ Prescott, and The International Erosion Control Association are sponsoring a 1-day Erosion & Sediment Control product and information workshop/demonstration field day on

Tuesday, August 25, 2015.

Event Location:
The Cayuga County Soil and Water Conservation District Campus
7413 County House Road, Auburn, NY

Topics planned for the day will include:
1. Perimeter Control (Filter Socks/Straw Wattles/Silt Fence)
2. Correctly Sizing Riprap
3. Porous Pavement/Cellular Confinement
4. Erosion Control Blankets/Turf Reinforcement Mats
5. Hydraulic Mulches
6. Seed Selection

Additional registration details will be forthcoming, including fees and food for the day. Plan on spending the day learning about erosion control on August 25.
