The NYS 4-H Equine Education team will be having study sessions with our State Coaches! These sessions will start on **January 5th at 7pm** and end on **February 23rd**. Each state contest will host two sessions. The first contest to present will be Horse Communications. Sarah Wilhelm will be holding the first session on **January 5th** as an introduction to Horse Communications, comparing and contrasting how it is different from regular presentations and talk about how to be successful and how to write a speech.

Go to <https://bit.ly/FB4HHorseEd> to look at the Facebook event page with more information.

January 5th and 12th will be Horse Communications

January 19th and 26th will be Horse Bowl

February 2nd and 9th will be Hippology

February 16th and 23rd will be Horse Judging

Registration is required by **December 20** and can be found here: <https://bit.ly/NYS4HHorseEd>

Please contact Jessica Tyson, jms943@cornell.edu, NYS Horse Events Coordinator with any questions.

NYS 4-H GALACTIC QUEST FAMILY STEM CHALLENGE

The New York State Family STEM Challenge program will bring together youth and families from across New York to join live virtual events and share their family's space explorations. We'll have activities and coaching led by 4-H professionals, teen leaders, and campus partners like the Spacecraft Planetary Imaging Facility.

New York State 4-H is looking for you to get involved with the national 4-H STEM Challenge, Galactic Quest. You can participate in the planning as a teen, or join in as a family or 4-H group:

Families with young people ages 8-14 are invited to join. Youth need to have an adult present with them when they join live virtual activities. This event is open to all New York State youth, including those not yet in 4-H and those already part of the 4-H community. We have a limited number of free family kits for those who need them or you may purchase your own kit.

Sign up as a family at <https://bit.ly/NYS4HGalacticQuest> to join the statewide STEM Challenge fun! **Family sign up due January 3, 2022.**

BOOK SCULPTURE WORKSHOP

From The Shelf Sculpture – The Art of the Folded Book:

Upcycling old hardbound books into contemporary sculptures is a relaxing method of repurposing books destined for the recycling bin.

Herkimer County 4-H is offering a virtual Book Sculpture workshop on **January 17, 2022 at 6pm**, led by Herkimer High School Art teacher and 4-H volunteer Heather McCutcheon. Youth need to have an adult present with them when they join live virtual activities. This event is open to all youth age 8 - 18, including those not yet in 4-H and those already part of the 4-H community. Sign up as a family by calling the 4-H Office or online at <https://bit.ly/4HBookSculpture>
The deadline to sign up is January 6, 2022.

In this hands-on workshop, you will learn how to choose the right books for your project, page manipulation and folding techniques plus ways to design one of a kind sculptural piece. The very act of folding pages is a meditative process, (Paper Fold Therapy) is calming and the perfect way to discover the creativity within you.

Participants will learn how to create symmetrical and asymmetrical designs, books that can hang and those that serve as stand-alone sculptural pieces and ways to display their finished pieces.

Bring a hardcover book, in need of a new lease on life, of at least 1 ½” thick if you have one, or choose from our selection at the CCE of Herkimer office by January 6.

See color photos at <http://bit.ly/CCEHerk4HFacts>

NY AG LITERACY WEEK MARCH 21-25

In celebration of National Agriculture Week (March 21-25), volunteers throughout the state will read a book with an agricultural theme to second graders. The selected book for 2022 is *Farmer Will Allen and the Growing Table*, written by Jacqueline Briggs Martin, and art by Eric-Shabazz Larkin

Agriculture is a unifying factor for communities all over. Whether you have 100 acres or a rooftop, there are opportunities for growing food and sharing the journey from soil to table with those around, as illustrated in *Farmer Will Allen and the Growing Table*. This book will take students on an explorative journey learn about community gardens and inspire them to build communities through food, even if they only have a pot on their porch to cultivate.

Will Allen is no ordinary farmer. A former basketball star, he's as tall as his truck, and he can hold a cabbage, or a basketball, in one hand. But what is most special about Farmer Will is that he can see what others can't see. When he looked at an abandoned city lot he saw a huge table, big enough to feed the whole world. No space, no problem. Poor soil, there's a solution. Need help, found it. Farmer Will is a genius in solving problems. Jacqueline Briggs Martin tells the inspiring story of an innovator, educator, and community builder. Combined with artist Eric-Shabazz Larkin's striking artwork, readers will share Will Allen's optimism and determination to bring good food to every table. This story also showcases the unique diversity of agricultural operations that is especially applicable to New York's combination of rural, suburban, and urban landscapes.

Over 75,000 students in almost every single county were reached last year. If you are interested in volunteering to read to a 2nd grade classroom at a Herkimer County school, please contact Jenn at the 4-H office.

4-H PUBLIC PRESENTATION / HORSE COMMUNICATION

When: Wednesday, March 2, 2022 and
Thursday, March 3, 2022
Virtual or In-Person
5 PM - 8 PM

Where: CCE Herkimer County
5657 State Route 5, Herkimer, NY 13350

Horse Communications and Public Presentation night will be offered on two dates with a virtual or in person option. You will need to register for an assigned time to limit the amount of people in the building at one time. Registrations for the presentations are due to the 4-H office no later than **February 18**. Go to <https://bit.ly/4H2022PublicPresentation> or call the office. We need to have the names of each 4-H member who will be doing a presentation and the title of the presentation when you register.

Learning to give effective public presentations is one unique advantage of belonging to 4-H. Presentations should have an obvious connection to the 4-H program. Therefore, if your members are unsure of what topic to select, encourage them to try one that deals with a 4-H project that they are already familiar with. That way they can concentrate on the actual presentation because they do not have to worry about learning new content material. This will also help to reinforce the knowledge they have already learned.

Public Presentation Categories:

- Formal Speech
- Demonstration /Illustrated Talk
- Recitations and Dramatic Interpretations
- Interview - 4-H youth can get a head start on preparing for a job or college interview by participating in the New York State 4-H Public Speaking Program's Interview Process. The oral presentation will be the actual interview using questions selected from a set list. The written presentation documents will be submitted for judging prior to the face-to-face interview.

Job Interview Job Position: 4-H Summer Intern
Required Paperwork:

1. Completed Job Application
2. Resume
3. Cover Letter

College Entrance Interview College: Unnamed or 4-H'ers choice
Required Paperwork:

1. Universal College Application
2. Resume
3. Essay on why youth chose the college and future career path

If you would like more details about the different categories available, please contact Wendy Richardson at the 4-H Office.

SPECIAL NOTE TO CLOVERBUDS

Cloverbuds will not be judged on their presentation, but will receive a Certificate of Participation and credit toward completion for the year. Members may work individually, in pairs, or groups. Think "Show & Tell."

SPECIAL NOTE FOR HORSE COMMUNICATIONS

Official rules for Horse Communications can be seen on the following website:
<https://bit.ly/30GWrHT>

2022 DAIRY & HORSE BOWL PRACTICES

Are you interested in learning more about dairy cows and the dairy industry or horses and the equine industry? Would you like to expand or test your knowledge with other youth your age? Then consider participating in Dairy Bowl or Horse Bowl. Clinics and practice sessions will be set up based on need and interest so call Jenn today to let her know you are interested. Clinics/practices will be open to ages 5-19. (Must be 9 to compete on a Quiz Bowl Team.) **No experience required.**

NEW YORK FARM BUREAU FREE STUDENT MEMBERSHIP

New York Farm Bureau, the State's largest agricultural lobbying organization, is very excited to partner with 4-H to provide complimentary NYFB Student Memberships for High School Juniors & Seniors who are 4-H members.

NYFB recognizes that the future of the agricultural industry in New York is dependent upon engaging youth who are interested in pursuing agricultural careers. NYFB wants to provide these youth the opportunity to be involved in supporting the agricultural industry by being a NYFB Student Member. New York Farm Bureau has a Young Farmers & Ranchers Program which develops leadership skills while providing educational, social, and community service opportunities.

In order to receive a complimentary student membership, 4-H members who are Juniors and Seniors will need to register for this membership on their own.

Student members will receive a NYFB Membership card, a monthly copy of the NYFB newspaper "Grassroots" and information by email related to young farmer activities and the Agricultural Youth Scholarship Program.

Membership can be found at: <https://www.nyfb.org/membership>. If you have questions on NYFB Student Membership and the Young Farmers & Ranchers Program, please contact: Patti Dugan, Deputy Director of Member Relations at 1-800-341-4143 or pdugan@nyfb.org.

4-H MEMBER & VOLUNTEER RECOGNITION EVENT

The 4-H Member Volunteer Recognition Event was held at the Town of German Flatts on Wednesday, November 3. The event kicked off with a light dinner followed by a welcome greeting from Garet Livermore and Jennifer Collins. The awards ceremony was much more relaxed as 4-H members shared stories of projects and fun activities they participated in during the 2020-21 4-H year, and concluded with a community service project making Christmas cards.

This year, four members and ten Cloverbuds received Certificates of Year End Completion for their participation in 4-H. Nineteen members received an All Around 4-H'er Award for their additional participation in 4-H events. There were thirteen Outstanding 4-H'er Awards presented to member that fulfilled all the previous requirements including assuming a leadership role.

4-H members were recognized for completing their first year, fifth year, and tenth year with pins. Volunteers were also recognized for their support of 4-H. Volunteers are huge parts of what keeps 4-H going in Herkimer County. Donated time and continued dedication is greatly appreciated.

UTICA ZOO 4-H GARDEN CLEANUP DAY

Fifteen volunteers and 4-H members gathered at the Utica Zoo on Sunday October 3 to harvest and clear out the raised beds. Despite the constant rain showers, 4-H members and volunteers from the **Kuyahoorra Kaprines** and **Green and Growing** 4-H clubs harvested the remaining vegetables as well as cleared out and turned over the raised beds for winter. This was a very successful growing season, with a couple of bushels of sweet potatoes total grown. Thank you for all of the continued support of the Utica Zoo animals through the pandemic this year.

Do you have organic apples grown on your property that you would consider donating next year to the Utica Zoo? Do you have dandelion greens in an untreated lawn you could harvest? These are needs of the zoo animals that we hope to expand on for next year's growing season. Any questions, contact Wendy Richardson.

FALL 2021 4-H GOVERNMENT INTERN PROGRAM

The 4-H Government Intern Program, sponsored by the Herkimer County Legislature and administered by Cornell Cooperative Extension 4-H Youth Development Program of Herkimer County, was back in person this fall, after having to cancel half way through in the spring of 2020 due to COVID-19. Four students from three Herkimer County school districts participated by exploring current issues and learning more about the functions of their county government through the committee system. Students reviewed issues, toured county facilities, interviewed county legislators, and attended a county legislature meeting.

Students included **Jayda Estey** from Dolgeville High School; **Amaya Chabrier** and **Cheyenne Garlock**, from Herkimer High School; and **Luca Bellino** from Frankfort / Schuyler High School.

Key presenters involved in the success of this program included: **Jim Bono**, Chairman of the Herkimer County Legislature; **Joann Mower** of the P.I.N.S. Unit; Budget Officer **Sheri Ferdula**; **Kim S. Tranter** and **Rob Drumm** from the Board of Elections; **Linda Patten** from the Department of Social Services; Probation Department; Herkimer County Clerk **Sylvia Rowan**; **Kim Enea** County Treasurer and Family Court Judge **Thad Luke**.

At the final session, the interns staged a simulated legislative mock meeting and provided presentations on current issues confronting county government. Topics discussed were:

- Entertainment needs for Youth in Herkimer County
- Fundraising for remodel of Youth Centers
- Peer mentoring in schools

Youth thanked all of the participating Herkimer County Legislators for their visits and help in researching topics that made the program an engaging experience.

IN THEIR OWN WORDS

Kenyetta Plummer, Guest Columnist

When I joined 4-H, I was looking for an afterschool activity to attend. A friend of mine recommended Youth CAN to me in 10th grade. For two years, we worked on projects that really gave me the opportunity and taught me to share my ideas and speak up for my ideas. By working on different projects, I learned to speak clearly about my ideas—and I got lots of public speaking experience. My 4-H leaders always encouraged me to try new things—things that I had never done before. I began to deeply understand the disadvantages that some people have experienced in certain areas—such as what is and is not accessible to them. And I began to learn what people can do to help their community.

One important thing I learned through 4-H Youth CAN is the importance of bringing awareness to issues that affect a lot of people. For instance, during my time in 4-H, our group worked on a homelessness project, the Community and Police Speak Out and a Black Lives Matter project. Through these projects I learned to handle conflicts much better, and how to think creatively and solve problems more effectively. Most important, I learned to care more about my community—and what I could do to help my community.

I believe NYS 4-H should reach out to smaller, unnoticed clubs to share what we do and how others can contribute. I also think that NYS 4-H should work on becoming more diverse. NYS 4-H clubs need to be accessible to everyone and let others reap the benefits of learning how to bring prominent issues to the community's attention. I think this will help all young people build life skills that will benefit them in the future.

USING YOUTH VOICES

Introducing Our Guest Columnist, Kenyetta Plummer

This edition of *Using Youth Voices* features Kenyetta Plummer, as guest columnist for *In Their Own Words*. Kenyetta joined the 4-H Youth Community Action Network (4-H Youth CAN) in 2018 at Tapestry Charter High School, Buffalo. She quickly jumped into the role of club secretary and volunteered for a leadership role at the Community and Police Speak Out, hosted by her 4-H group. Kenyetta contributed in numerous way to the Erie County 4-H Program, leading community projects and participating in the National 4-H True Leaders in Equity Institute, 2020-2021. Today, Kenyetta is a freshman at SUNY Brockport, where she is majoring in psychology and sociology.

Do you know a 4-H'er or a 4-H alum with ideas about what NYS 4-H needs to do to transform 4-H into a welcoming, nurturing and nationally respected antiracist organization? We're looking for guest columnists to share what they believe needs to be done to improve 4-H. Please let one of the *Using Youth Voices* project team know if you want to recommend a young person as our next *In Their Own Words* columnist!

CLUB NEWS

The **All Seasons 4-H club** held a meeting in October to elect officers and plan activities for the year. **Jonah** shared about his 4-H project being chosen to go on to the NY State Fair. The club 4-H members made Thanksgiving cards for senior citizens.

The **Green and Growing 4-H club** held their annual apple cider pressing at the Richardson's home in October. There were 3 new families that took part this year. The club also met virtually in October to go over the club plans for the year. The 4-H members from the Brackett and Muha families helped harvest the gardens at the Utica Zoo. They did not hold a meeting in November. The club had to postpone their photography activity due to the weather and time change.

The **Kuyahora Kaprines 4-H club** did not hold a meeting in October or November. 4-H members Hannah and Hailey Carnright volunteered at the Teel Farm corn maze and petting zoo during National 4-H Week. 4-H members Lucas and Logan Humphreville helped with the fall garden cleanup at the Utica Zoo.

The **Hawkes/Dyn independent family** held a reorganizational meeting in October to discuss activities that they would like to participate in for the upcoming 4-H year. **Laken Dyn** participated in the New York Cattle Battle in Fonda at the beginning of October and took home the honor of winning Grand Champion Female in the youth show!

Laken Dyn and **Anna Hawkes** attended the 2021 Ag Career Exploration Day at SUNY Cobleskill on October 22nd. They enjoyed the campus tour and learned so much about the programs available there. What a great opportunity for 4-H kids!

The **Milkshakers 4-H club** met at the Valley Brook Farm in October where they got to learn about various animals and fibers. The Club toured the farm learning about each Animal on the farm. Some of the Animals on the farm were Nigerian Dwarf Goats, Jacob Sheep, Pigs, Alpacas, and a Camel. The Club had a lot of fun and learned a lot. After the Tour, the club meet for the official club meeting. During the meeting, members elected club officers.

President: **Jaelynn Brown** Vice President: **Nathan Teachout** Treasurer: **Haley Hunt** Secretary: **Brynnlee Holbert** Pictures: **Morgan Hunt**. In November the club met at Roedale Farm to visit the Turkey Farm and had a Bake Sale at Tally Ho Restaurant on the weekend of November 20-21.
