

Welcome to the “Herkimer County Farm to Table Directory.” This directory is based off a 2013 publication “Herkimer County Farm to Restaurant Connection.”

Entries for this directory were compiled by Cornell Cooperative Extension of Herkimer County through interviews with farmers participating in the 2024 Herkimer County Local Foods Map/Cultivate Herkimer website and producers of non-edible products that are on the Cultivate Herkimer website.

*Inclusion in this guide does not imply a recommendation or a guarantee. Omissions are not intended. To be included in this guide, the Herkimer County Local Foods Map, and/or to be on the Cultivate Herkimer website, contact [cultivateherkimercounty@cornell.edu](mailto:cultivateherkimercounty@cornell.edu)*
