

6:00pm

- **5 minutes** Introduction: name tents
 - Pass out name tents and have everyone decorate their names and two of their favorite things. Have everyone introduce themselves and explain their favorite things.
- **10 minutes** First family drawing (part 1 “It wasn’t supposed to be this way”)
 - Ask the group to draw a picture of the people they live with. Each person goes around explaining their drawings and who’s in them
- **15 minutes** Second family drawing (part 2 “It wasn’t supposed to be this way”)
 - Ask the group to draw a picture of their family “the way it was supposed to be.” This can mean many things for different kids. Was their family supposed to be a mom and a dad? It can be as simple as the family was supposed to get a dog!
 - Then, ask the group to share their new drawings. Ask them to share similarities and differences between the drawings. Help them to focus on the positive.
