

## **Subsidiary or Affiliated Corporation**

The university imposes tight controls on the creation of subsidiary and affiliated corporations in order to exercise responsible stewardship over its tangible and intangible assets, to manage risk exposure, and to facilitate compliance with reporting and other legal requirements. See the University Policy Office website at [https://www.dfa.cornell.edu/sites/default/files/policy/vol4\\_11.pdf](https://www.dfa.cornell.edu/sites/default/files/policy/vol4_11.pdf) for the complete policy.
