Project Manager Application
Fall 2016

Please email completed applications to designconnect@cornell.edu by APRIL 18, 2016.
Leading applicants will be invited to interview with a board member before final selections are made by April 29.

Name: ____________________________ Net ID: ______
Undergrad or Grad (circle one) Graduation Date: ______
Department: ________________________ Major / Concentration: ________________________

What makes you interested in a leadership position on a Design Connect team?

Do you have any past leadership or project manager experience? If so, please describe your duties or achievements.

Do you have any past experience with Design Connect? If so, which project(s) did you work on? What was your role?

What do you hope to get out of this experience?
Each semester, municipal and non-profit organizations submit a number of proposed projects. As a project manager, you would participate in the project selection process – helping to determine which projects seem feasible for a Design Connect team and ultimately choosing one to lead.

Please circle the types of projects you might be interested in leading, keeping in mind that the projects available any semester vary based on submitted proposals:

- Research and Analysis
- Charrettes and Participatory Visioning
- Master Plans
- Parks and Open Space
- Public and Non-Profit Strategy
- Community Gardens
- Streetscape and Pedestrian-Oriented Design
- Interiors for Public Space
- Other/I don’t know: ______________________________________________________

Is there anything else that you think we should know regarding your availability or qualifications?

Thanks very much for your interest in bringing a project manager for Design Connect! Please remember that a number of factors go into our final selection process, and that each semester there are many other opportunities to participate as a team member in Design Connect even if you are not a project manager. We look forward to meeting with you soon!

Sincerely,

The Design Connect Board
