ON A TYPICAL WEDNESDAY AFTERNOON...

TEAM A WAS PREPARING FOR OUR SECOND VISIT TO IHS IN CLASS USING THE BLACKBOARD WITH POST ITS.

AFTER DISCUSSION, WE AGREED TO...

READ UP EXTENSIVELY ON MEDIA FORMS TO MAKE SUGGESTIONS TO STUDENTS

Be flexible with the game plan based on Sarah and the students' needs

Learn research methods to help the students with their upcoming multi-genre project

HIGH ENGAGEMENT
DEPTH, NOT BREADTH
BE NICE WORK HARD
HAVE FUN

WHEN WE REACHED IHS, SARAH OUTLINED THREE GOALS FOR US AND THE STUDENTS.

FOR MY TOPIC, WHAT MEDIA SHOULD I RECOMMEND?

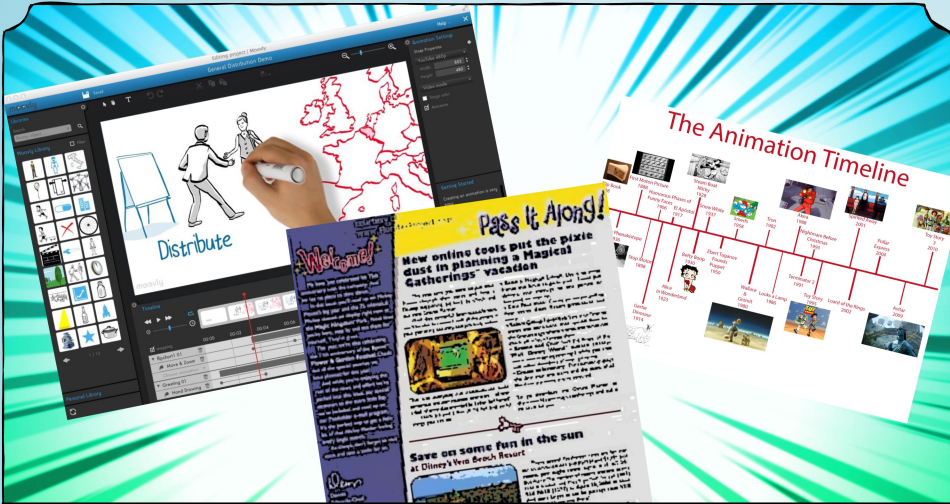

HOW WILL I USE THIS TO HELP LATER?

SO GUYS, FOR MY RESEARCH TIPS FROM CLASS, I WOULD SAY THAT WE SHOULD...

THE TEAM RECONVENED AND DISCUSSED HOW TO EXECUTE SARAH'S PLAN RIGHT BEFORE CLASS...

AFTER PRELIMINARY RESEARCH ON THE IHS DATABASES...

EMILY HELPED CLAIRE ORGANIZE HER RESEARCH. THEY ALSO THOUGHT ABOUT GENRES INCLUDING VIDEOS, TIMELINES, AND NEWSLETTERS.

MEGAN HELPED DUNCAN FIND MORE SOURCES.

DUNCAN HOPES THAT A STRESS RELIEF PROGRAM LIKE CORNELL COMPANIONS CAN BE IMPLEMENTED IN THE IHS LIBRARY OR COUNSELING DEPARTMENT.

ADITYA HELPED ROB WHO WAS WONDERING HOW GLOBAL OUTBREAKS LIKE THE CORONAVIRUS AFFECT THE STOCK MARKET.

THAT'S A GREAT QUESTION ROB! LET'S START IN THE USA AND ALSO RESEARCH PAST EPIDEMICS.

I'LL LOOK UP THE EFFECT OF SARS AND INFLUENZA! BUT I ALSO WANT TO KNOW ABOUT CORONAVIRUS

ADITYA DID RESEARCH...

I'M CORONAVIRUS AND I'M KILLING CRUISE STOCKS.

WES WAS PASSIONATE ABOUT DRONES AND THEIR USES & REGULATIONS...

FOR WES, BEN FOUND DATABASE SOURCES AND CREATED A STRUCTURE APPROACH TO TACKLING THE PAPER WITH PROPOSED GENRES FOR EACH SECTION.

IHS TEAM A CONCLUDES A GREAT DAY IN THE FIELD AFTER WORKING WITH DUNCAN, CLAIRE, ROB AND WES...
SUCCESSFUL MULTI-GENRE RESEARCH PAPERS ARE ON THE WAY!

PLANNING PHASE...

they should share papers and build their skills

Sarah needs to set clear expectations for the project because of the open-ended nature of the project.

on grade topics and a

we need to familiarize ourselves with ^{myriad} + trained in films and applications better assist students in actualizing

I THINK THAT THE STUDENTS WILL LIKELY FEEL OVERWHELMED WITH ALL THE GENRES!

IN THE FUTURE, I THINK THAT SARAH SHOULD DO AN ONGOING PROJECT AND NARROW DOWN THE GENRES STUDENTS CAN CHOOSE FROM.

MAYBE WORDPRESS WOULD BE A GOOD PLATFORM FOR THEM TO USE!

THE STUDENTS SHOULD BE ABLE TO PRESENT THEIR WORK TO MORE PEOPLE TOO.

IT WOULD BE COOL IF THEY COULD PRESENT AT THE LOCAL PUBLIC LIBRARY!
