

The Contact Method “Preferred Contact Method” checkbox determines the order in which ezyVet should use the emails/phones from the contact.

For example, if the contact has multiple email addresses, checking the box on the left-hand side of the “Name field” will tell the system to pull this as the preferred email address.

Contact Methods

| <input checked="" type="checkbox"/> | Preferred Contact Method | Type | | | | |
|-------------------------------------|---------------------------------------------------|----------|-------------------------------------|-------------------------------------|-------------------------------------|-------------------------------------|
| <input checked="" type="checkbox"/> | <input type="text" value="dw@ezyvet.com"/> | Email | <input checked="" type="checkbox"/> | <input checked="" type="checkbox"/> | <input checked="" type="checkbox"/> | <input checked="" type="checkbox"/> |
| <input type="checkbox"/> | Support <input type="text" value="1300 399 838"/> | Landline | <input checked="" type="checkbox"/> | <input checked="" type="checkbox"/> | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| <input type="checkbox"/> | <input type="text" value="vet@ezyvet.com"/> | Email | <input checked="" type="checkbox"/> | <input checked="" type="checkbox"/> | <input checked="" type="checkbox"/> | <input checked="" type="checkbox"/> |
