

Amphibians and Reptiles (25 taxa)

Class Amphibia

Order Anura

Family Bufonidae

Anaxyrus americanus = American toad

Family Hylidae

Hyla versicolor = Gray treefrog

Pseudacris crucifer = Spring peeper

Family Ranidae

Rana catesbeiana = Bullfrog

Rana clamitans = Green frog

Rana pipiens = Leopard frog

Rana sylvatica = Wood frog

Order Caudata

Family Plethodontidae

Desmognathus fuscus = Dusky salamander

Plethodon cinereus = Red-backed salamander

Gyrinophilus porphyriticus = Spring salamander

Eurycea bislineata = Two-lined salamander

Family Salamandridae

Notophthalmus viridescens = Red-spotted newt

Family Ambystomatidae

Ambystoma maculatum = Spotted salamander

Class Reptilia

Order Squamata

Family Colubridae

Thamnophis sirtalis = Garter snake

Nerodia sipedon = Northern watersnake

Lampropeltis triangulum = Milk snake

Diadophis punctatus = Ring-necked snake

Storeria occipitomaculata = Red-bellied snake

Liochlorophis vernalis = Smooth greensnake

Family Viperidae

Agkistrodon contortrix = Copperhead

Crotalus horridus = Timber rattlesnake

Family Scincidae

Plestiodon anthracinus = Coal skink

Order Testudinae

Family Chelidridae

Chelydra serpentina = Snapping turtle

Family Emydidae

Chrysemys picta = Painted turtle

Glyptemys insculpta = Wood turtle
