

Spring 2016

Wine Culture - CLASS/VIEN 2810

Prof. Justine Vanden Heuvel

Viticulture & Enology Program

Prof. Michael Fontaine

Department of Classics

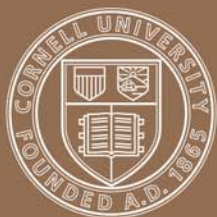

Time: TR 3:35 - 4:25

2 Credits

An informative and entertaining look at the complex interactions between wine and culture.

What role does wine play in the creation of culture, from ancient times to the world of today? How has culture influenced wine production and appreciation?

Includes wine tastings. **No minimum age for enrollment.**

Cornell University

A collaborative offering from the Cornell University Viticulture & Enology Program and the Cornell Classics Department
