Part Time Gardening Position

Professor Emeritus Peter Davies is seeking a horticulture student to assist in his flower garden and landscape this summer for 4-6 hours weekly starting in April, at times that are mutually convenient.

Typical tasks include planting, replanting, cultivation, mulching, weeding, pond maintenance (aquatic plants), trimming and maintaining general neatness, care of small greenhouse etc.

Location is on Snyder Hill about 4 miles from campus: own transport essential. Starting hourly rate $15-20 dependent on expertise and experience.
