

## THE SIBLEY SCHOOL OF MECHANICAL & AEROSPACE ENGINEERING AWARDS

*All recipients will be announced at the M&AE Commencement Ceremony on Sunday, May 25, 2014*

### **THE FACULTY WILL BE NOMINATING STUDENTS FOR THESE AWARDS:**

#### *McManus Design Award*

*Undergraduate and Graduate students in M&AE:* Judgment criteria will be based on a technical paper of single or joint authorship presenting an original solution to a design problem or project. *Nominations and supporting documentation due: Early May*

#### *R.N. Janeway Automotive Engineering Award*

*Juniors, Seniors and Graduate students in M&AE and ECE:* Judgment criteria will be based on a technical paper of single or joint authorship presenting an original proposal for an improvement in automotive vehicles. *Nominations and supporting documentation due: Early May*

#### *The Bart Conta Prize in Energy and the Environment*

*Undergraduate and Graduate students in M&AE:* Award based on project summaries from students who have done the best work on a research or design project dealing with energy and the environment. *Nominations and supporting documentation due: Early May*

#### *The Thomas J. and Joan T. Kelly Prize*

*Seniors and M.Eng. students in M&AE.* Award based on excellence in aerospace engineering, as demonstrated through coursework or an innovative design project. The awardee must show tangible evidence of being a well-rounded person with an outstanding non-engineering contribution to Cornell and/or the greater community. *Nominations and supporting documentation due: Early May*

### **Teaching Assistant Prizes Recommendations by Students with Endorsements from Faculty:**

#### *Sibley School Excellence in Graduate Teaching Assistant Prize*

*Ph.D. Candidates in M&AE:* Judgment criteria will be based on recommendations by student feedback and endorsed by instructors. For their dedication and excellence as a teaching assistant in Sibley School courses. *Nominations and supporting documentation due: Early May*

#### *The H.D. Block Teaching Prize*

*Ph.D. Candidates in the TAM Field:* Judgment criteria will be based on recommendations by student feedback and endorsed by instructors. For their dedication and excellence as a teaching assistant in Engineering Mathematics and Engineering Mechanics. *Nominations and supporting documentation due: Early May*

### **Additional Prizes:**

#### *Frank O. Ellenwood Prize*

*Graduating Seniors:* Awarded to the M.E. student with the highest GPA in heat and power.

#### *The Walter Werring Excellence Studies Prize*

*Graduating Seniors:* Awarded to at least one graduating student in 2014 who has enhanced the Cornell Community, excelling in leadership efforts in a manner befitting the reputation of the Sibley School.

*The following will be awarded to graduating M.E. seniors based on self-nomination and faculty decision – nominations due March 15, 2014 (nomination forms available in 108 Upson Hall)*

#### *The Sibley School Senior Class Representative*

*Graduating Seniors:* On behalf of the B.S., M.E. Class of 2014, one student will be selected for the honor of presenting a speech at the Sibley School Commencement Ceremony.

### **The following awards will be decided in early June**

#### *Outstanding Achievement Award*

*M.Eng. in M&AE:* Awarded to 2 graduating students who have achieved the highest academic standing in the Master of Engineering Program

#### *The Sibley Prize*

*Graduating Seniors:* Awarded to two M.E. undergraduate students with the highest overall GPA.

All award recipients' names will be posted by mid-June 2014: <http://www.mae.cornell.edu/>
