PROPOSAL BRIEF

**SUSTAINABILITY**

This work was inspired by a conversation with a former preservationist about the site’s green spaces. It’s the purpose of our intervention to bring the public back into Flushing Meadows-Corona Park. To revitalize the legacy of the site, meeting the needs of the present, and ensure the site’s future viability. The need to adapt and reframe the site is urgent.

**SEATTLE, WA:** social center in a gentrifying neighborhood

**SAN ANTONIO, TX:** Adapting Modern Heritage

**MONTREAL, QC:** Massive project turned into natural space in the city

**QUEENS, NY:** Park for the people
