

NATIONAL EXTENSION ASSOCIATION OF FAMILY & CONSUMER SCIENCES
NEW YORK AFFILIATE
Environmental Educator Award

Background: This award recognizes the development of innovative home environment program which help New Yorkers save money, safeguard their health, and protect the planet. Programming can be in the areas of water quality, waste management, indoor air quality and/or consumer safety, such as septic system care & maintenance, household hazardous waste, recycling, radon testing, mold mitigation or other topics that assist consumers in making sound environmental decisions that affect their quality of life.

Purpose: This award can be given to an individual or team of CCE educators and/or campus Extension staff who have developed an outstanding educational program pertaining to some aspect of the home environment, either on a county or statewide level.

Eligibility: CCE field educators or campus-based faculty or regional staff working or conducting programming in Family & Consumer Sciences in the Home Environment arena can apply for this award. NEAFCS members can nominate themselves, a fellow NEAFCS member or a team of individuals, of which at least one must be an active NEAFCS member

Application:

1. Send three (3) copies of the application to the Awards & Recognition Vice President by the NYA deadline.
2. Application write-up must provide:
 - description of the program,
 - objectives and goals,
 - targeted audience(s)
 - deliverables and
 - outcomes.

Up to three (3) pages of documentation can be submitted to support entries. These materials can include agendas, brochures, handouts, photographs, press releases and/or CDs and DVDs.

3. Submit three (3) copies of the application to the Awards & Recognition Committee Vice President by the NYA deadline.

Judging Criteria: 100 Points Application must score 90 points to be considered for recognition.

1. Program serves identified community needs (20 points).
2. Education methods used and topics presented (40 points).
3. Evidence of positive results (40 points).
