

Weill Hall Access Request Form

This access request form must be completed by all students, staff or faculty seeking key or card access to Weill Hall. General Weill Hall card access and office keys may be issued upon completion of the Weill Hall Orientation and required training. Once all training requirements have been met and you have obtained an authorized signature in Section 2, return your form to the Weill Hall Administrative Coordinator in order for card access to be set up. Keys must be signed for in person. Further access to labs or research areas requires completion of the applicable training assessed in Section 3.
